

Richmond School District Policy Statement
Public Solicitations on School Premises

Policy #: 850

No soliciting by a sales person or any other uninvited merchandising pertaining to sales or contracts with any student or with any employee of the Board of Education shall be permitted in any school building.

No employee of the District shall be permitted to solicit membership or donations within the staff except as may be approved by the District Administrator.

Any request for the use of Richmond School's name, organization, equipment, and personnel to be used for the promotion of financial drives or for any other purpose shall be referred to the District Administrator for approval in accordance with Board of Education policy on fund raising activities.

No organization or group shall be allowed to conduct any money raising projects on the school premises unless approved by the District Administrator and/or Board of Education.

Literature distributed through the student body must be approved by the District Administrator and must be signed by the senders.
