

Locker rooms are provided for the use of physical education students, athletes, and other activity groups and individuals authorized by the Administration or by District policy. The District shall observe measures intended to protect the privacy rights of individuals using school locker rooms. The following provisions outline the extent to which that protection can and will be provided:

1. No unauthorized person will be permitted to enter into the locker room or remain in the locker room to interview or seek information from an individual in the locker room at any time. Such interviews may take place outside of the locker room consistent with applicable District policies and/or school rules.
2. No cameras, video recorders, or other devices that can be used to record or transfer images may be used in the locker room at any time.
3. No person may use a cell phone to capture, record, or transfer a representation of a nude or partially-nude person in the locker room or to take any other photo or video image of a person in the locker room.

Students and staff violating this policy shall be subject to school disciplinary action and possible legal referral. Law enforcement may be contacted if anyone is in violation of this policy.

This policy shall be publicized annually in the student handbook and posted in each locker room in the District.
